

FSW21100 Hurdles

The five hurdles form an obstacle that can be overcome in several ways. If you do not mind getting dirty you can 'belly crawl' underneath them. Otherwise you go over the hurdles by walking or running. A single hurdle can also be used for exercises on the spot such as push ups and high jumps. The Hurdles are standard available in Orange, RAL2010 and Grey, RAL7012. All other RAL colors are available on request. It will always be possible to match the surroundings or color theme!
