Oasis Sandworks

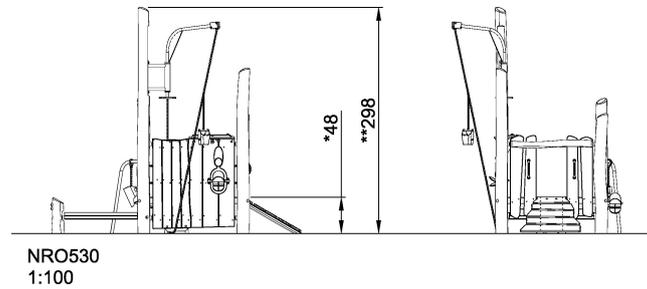

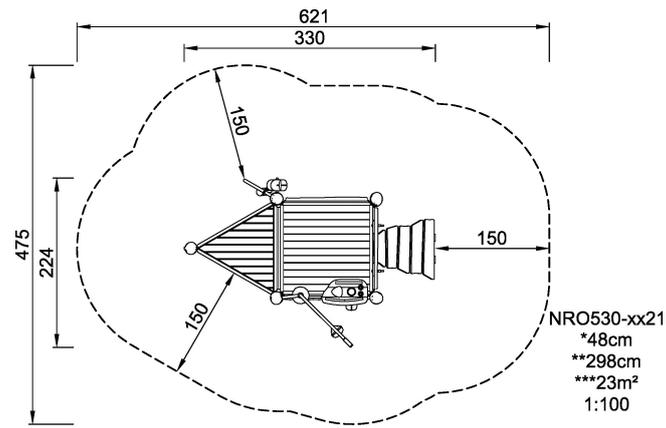

This is a nice open oasis with a sand crane and sand table. Children can let the sand down the hole in the table through the pipe to make the in-built sand mill spin. There is access by an angled ramp to the sand crane or a lower platform with sand scoop and sand mill. Even very small children can enjoy imaginative and explorative play for very long time. The easy usable bucket of the crane can be filled with sand and when lifted the crane can be turned by using the round handle – accessible from the platform. Product is available as FSC® Certified (FSC® C004450) robinia wood on request. Product is available as FSC® Certified (FSC® C004450) robinia wood on request.

Product Line	Organic Robinia
Category	Traditional play, Sand and water play
Age group	2 - 10
Max. fall height (CM)	48
Total height (CM)	298
Safety Zone	23 m2

IN-GROU.

* = Highest designated play surface.
** = Total height of product.
