Play hut with stairway

KOMPAN[®]
Let's play

This play structure provides many challenges for the children climbing up to the platform overlooking the playground. The stairways leading up to the platform are roomy and make the climb easier for the youngest children. Coming down the slide is another thrill for the children giving them many hours of fun. Note to Australian customers: This product is not available in your region, please contact your local KOMPAN agent for alternative materials. Product is available as FSC[®] Certified (FSC[®] C004450) robinia wood on request.
