

PCM001900

Playhouse with floor, wood posts

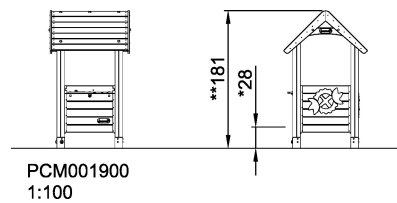

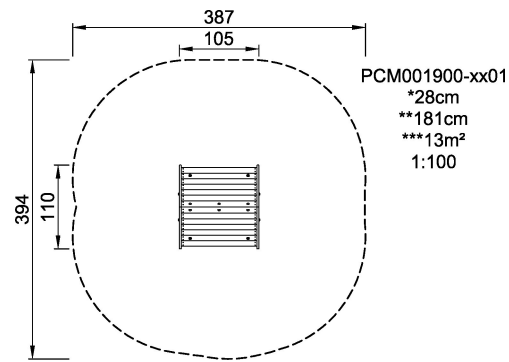

With its fun and challenging panel activities this playhouse is so much more than just the recognizable home-theme. It comes with a floor creating a physical challenge to access the panels. The driving panel features a steering wheel creating dramatic play and the port window will make children interact, while the crawl through panel encourages children to crawl and explore. The shop counter provides a fun tactile sensation for the toddler to explore.
